

### Announcements for February 17

- Wednesday Postlabs and Prelabs go in the RED folder; Thursday ones in the PURPLE folder.
- The CS Majors Committee is holding a "How to Do Labs on My Computer" Night this Thursday (Feb. 18) at 7pm in the CS conference room.

Lauren, Aaron, and Meghan will help students set up their machines and learn how to hand in labs using SCP and SSH. They will also introduce other software that are useful for working from their own machine depending on the system they use.
