

### Announcements for October 5

- I won't be around for my usual (10-12) office hours today. Instead I will be in my office from 1 to 2:30 and 3:15 to 4:30.
- You might start thinking about Exam 1, which the syllabus says will be next week. Some notes about the exam as well as some practice problems and last semester's Exam 1 are all posted on the class homepage.

**EXAM 1 will be on Friday, this week!**
