

The CS Major's Committee will host a session on how to use Git (version control system) today: Friday, February 17 at 4:30 in King 135.

CSMC will also host Games Night tonight (Feb 17) from 7 to 9 PM in King 203 (the Math Department library).

Labs should be accompanied by a README file that asserts that you adhered to the Honor Code. Starting with Lab 2 we won't grade any lab without this.
